

South Wairarapa District Council Greytown Community Board Electing 4 Board Members

Shane ATKINSON

My principal place of residence is in the Greytown Community Board area.

I am also standing for Greytown District Trust Lands Trust.

I am standing for a second term as your representative on the Greytown Community Board. The Community Board acts as a vital link between our community and the South Wairarapa District Council. We advocate for and support voluntary groups, local festivals, street decorations, footpath extensions, library and swimming pool opening hours and all the myriad of local activities that give our town its special character. In my second term I particularly intend to continue supporting our emerging Greytown Mens Shed. I am a trustee of the Tararua Foundation and the Murray King Memorial Scholarship and an active supporter of the Greytown Trails Trust. I worked for many years as an executive for a multinational and still actively consult to major New Zealand companies.
