

South Wairarapa District Council

Featherston Ward

Electing 3 Councillors

Solitaire June ROBERTSON

My principal place of residence is in the Featherston Ward area.

Solitaire successfully stood for Council the last two elections as she believed its makeup should reflect the makeup of the community, she still feels this is vital and wishes to be re-elected for another term. With 100% attendance at Council meetings, Solitaire's experience, leadership, and perspective provide a key viewpoint for Council. Her family has lived in Featherston for over 100 years with involvement in both farming and business. Although she lives in town Solitaire has a good understanding of rural values, having been on farms in various roles for much of her life.

Starting her education at Featherston School, she graduated with a BA from Victoria University and holds an Environmental Management qualification. She has a strong background in resource management, policy and legislation. With potential changes to local government, Featherston needs leadership and experience, Solitaire can provide both - this is her home town-this is your home town!
