

Greytown Trust Lands Trust Electing 3 Trust Members

Trish MORISON

My principal place of residence is in the Greytown Trust Lands Trust area.

I have lived in rural Greytown with my husband, a local farmer, Neil Morison, and my two children Emily (14) and Harvey (12) for 16 Years. I work as a lecturer in Human Sciences at UCOL. Prior to UCOL I worked with the Wairarapa DHB in Public Health; before that in aged care and before that I taught in secondary schools.

I play football with Greytown FC and I have been the secretary of the club since it began in 2009. I also coach college football. Over the last six years I have been actively involved in six major fundraising events.

I have continued to study since leaving University. Alongside environmental health and teaching papers, I have completed a Post Graduate Diploma and a Master in public health, both with distinction.

I feel privileged to be a resident in Greytown, it is a community that can get things done.
