- Moved to approve the RSM reports: Marie Seconded: Rebecca
CARRIED

Matters Arising:

- Garry interested in a stock of 'am I safe to drive' booklets for WFA clients-Bruce supplied
- Rebecca enquired as to the need for more female CDMP mentors. Some ethnic new community members could only have females in the car with them. Bruce has trained a further 8 mentors-4 being female
- Frazer explained that the colleges are WRSCs' No.1 priority under CDMP due to funding criteria, but vehicles can and are used by other groups

Financial Reports:

Financial Performance for period ended 31 May 2019 was presented at the meeting.

Moved that the financial report be tabled but a request made to MDC Finance to present budget in an earlier format: Frazer Seconded: Marie CARRIED

General Business:

- Rebecca mentioned the 'left in-left out' proposal from Norman Ave awaiting NZTA new safer roads proposal. Bruce advised that Mark Owen had informed that CDC can do this whenever, as it is their road. John Paul Irwin to be advised
- Garry mentioned that older drivers could benefit from being directed to 'www.drive.govt.nz' as the older demographic is getting more 'tech savvy'. Bruce to explore getting this out to the older groups.
- Jacqui explained her work with Featherston school around revitalising the quadrangle to support safe scootering in school. Rebecca mentioned that Carterton school have some great designs for active games/scootering etc.
- Rebecca mentioned RSE had applied through COGS (Gerry Brooking) to support RYDA in 2020.
- Rebecca advised Bruce an opportunity to present to an older driver group-'Friendship Club' at Carterton Events Centre
- Garry mentioned his observations of contractors using their cellphones when driving and oblivious to their surroundings.
Bruce to request/organise with Police a 'cellphone blitz' September/October?

- Rebecca requested a print article on rules for drivers approaching crossings & confusion around the road markings. Bruce had created an article around this in 2018 but time for another 'more targeted' article
- Rebecca has been in discussion with GWRC around a 'biketober' cycle event in Carterton. Bruce mentioned the possibility of GWRC supplying bike mechanics with a mobile workshop
- Erin to be involved in this event as well
